QUALITY ALERT • 10072020

Date: October 7, 2020

Revised: October 14, 2020

To: All Valued Suppliers

Subject: FAI of Assembled products.

First time buy of assembled/sub-assembled products will have the Purchase Order state that the FAI part shall be delivered with all applicable detail parts uninstalled. The First Article Inspection Report (FAI) shall accompany each applicable detail part.

This process will enable our Inspection to verify all characteristics that will be hidden after installation of the detail parts.

Once the FAI part(s) is/are accepted, the part(s) will be returned for completion of the assembly and resubmitted with a First Article Inspection Report (FAI) on the assembly level.

This Quality Alert excludes:

Tube Assemblies

Source Control Drawings

Bearings

Supplier Proprietary Design Assemblies/Subassemblies
