

QUALITY ALERT 09212022

Date: 9/21/2022

To: Actuation Products and Services (APS) Suppliers

Subject: Suppliers of Military and US Government End Use Items

Please be aware when supplying parts for Military and Government, these parts must meet the particular FAR/DFARS requirements of the Customer/Program listed on the Purchase Order.

The FAR/DFARS requirement is stated in the Triumph General Terms and Conditions and is listed on the Triumph Supplier Portal.

The FAR/DFARS Addendum is also listed on the Triumph Supplier Portal and gives more information concerning the particular clauses that may apply.

www.triumphsupplysource.com

Supplier Provisions/Triumph Company Terms and Conditions and then choose the Company Name to which you are supplying.

FAR/DFARS Flow-Down Addendum – (Latest Revision)

It is the Supplier's responsibility to meet these requirements and flow to their Sub-tiers, as applicable.

Please contact your Procurement Agent if you have questions.

Signature and Title: Sean Wood, APS OpCo Director of Quality
