Attention: Triumph Suppliers

Subject: AS9102 Rev C Implementation Requirements

Triumph recognizes the change in AS9102 has raised questions regarding implementation timeline. Please use the following guidelines for Triumph products and service requirements unless otherwise noted via contract/purchase order agreement.

- AS9102C shall be required for all First Articles delivered on or after January 1, 2024.
- First Articles currently in process or with planned delivery prior to January 1, 2024, shall contact their supply chain representative for direction.
- Suppliers should begin the following activities to support transition:
 - Review of current AS9102 Procedure or Forms, for required changes.
 - Communicate with stakeholders the new requirements.
 - Begin Training and Awareness for affected employees

Sincerely,

Sabrina Richmond
Vice President, Quality
